FOR IMMEDIATE RELEASE

ANGELES CREST HIGHWAY (SR-2) PAVEMENT WORK

WRIGHTWOOD - The California Department of Transportation (Caltrans) announces roadbed work in both directions of Angeles Crest Highway (SR-2), from the Los Angeles/San Bernardino County line to approximately 2 miles west. Work began Friday, May 1, and is anticipated to complete Friday, May 8. Work will be performed from 6 a.m. to 4 p.m. One lane will remain open to traffic at all times. Newly laid asphalt requires approximately a one to two hour cooling period before opening to traffic. Residents and motorists may be temporarily inconvenienced while Caltrans performs these necessary improvements.

New pavement will improve safety and mobility for motorists. Granite Construction Company is the contractor on this \$1,000,000 project. Caltrans advises motorists to **"Slow For The Cone Zone."**
